

Meeting 18

17 April 2018

Attendance

Present

Jan

Viet

Markus

Magnus

Tom

Aleksander

Vegan

Anne Lise

Highlights of the meeting

- Recapping and discussion
- Recalibrating the team on what to do

To do

- AI needs to be fixed
- Highscore
- Sequence diagram

Notes taken under meeting

Current progress:

- Easy AI works
- Undo is now possible, each move is stored in separate .txt for this
- Missing Medium AI
- Missing Expert AI
- Missing demo video
- Missing sequence diagram from this iteration
- Need to have retrospective discussion soon
- Need to make presentation slides
- Need to update team plan
